## AccuDraw 1905 Drawing Oil

### DESCRIPTION

**AccuDraw 1905** is a very viscous drawing oil designed specifically for high purity aluminum. It is sulfur and chlorine free and has been compounded with superior lubricity agents for excellent metal working properties.

**AccuDraw 1905** may be used as received or cut back with a light oil or solvent. It produces high quality parts without galling or scratching and there is no need to buff the finished parts.
